Southern Adelaide and Fleurieu Trade School
Vocational Education and Training (VET) Certificate Courses

Promoting skills required to be successful in the 21st century

The Southern Adelaide and Fleurieu Trade School (SAFTS) is a consortium of schools in the Southern Adelaide, Fleurieu Peninsula and Kangaroo Island regions, consisting of the following schools:

- Aberfoyle Park High School
- Christies Beach High School
- Eastern Fleurieu School
- Hallett Cove School
- Kangaroo Island Community Education - Pamrama, Kingscote, Penneshaw
- Mount Compass Area School
- Mount Compass Area School
- Norville East College
- Seaford Secondary College
- Victor Harbor High School
- Willunga High School
- Wirreanda Secondary School
- Yankalilla Area School

Students access a range of vocational courses across the region hosted by local schools working with the local community and industry. At the same time, young people will be able to achieve their South Australian Certificate of Education (SACE) whilst learning skills and working toward industry-accredited qualifications. They will be better prepared to take on apprenticeships and skilled jobs in areas that are identified as having skills shortages.

For more information about the Southern Adelaide and Fleurieu Trade School contact the VET Coordinator in your school or visit www.safts.sa.edu.au

**Training Guarantee for SACE Students (TGSS)**

This Training Guarantee for SACE Students (TGSS) is for students who know they want to start a planned vocational pathway whilst still at school as part of their SACE and then continue after they leave school. Students must be 16 years of age or older and have relevant work experience or VET training.

There is a cost for students to undertake any VET course which covers course fees, consumables, equipment and the Registered Training Organisations (RTOs) cost for delivering the course. Invoices will be sent 4-8 weeks after the student completes the course and entered into their SACE and then continue after they leave school as part of their SACE and then continue after they leave school. Students must be 16 years of age or older and have relevant work experience or VET training.

**Unique Student Identifier**

All students who are studying nationally-recognised training delivered by a registered training organisation need to have a unique student identifier (USI) Code which is a unique number that will allow all of their VET training records, entered in the national vocational education and training (VET) data collection, to be linked.

**Structured Workplace Learning (SWL)**

SWL is an opportunity for students to experience a real or simulated workplace opportunity relevant to their VET program. The benefits of SWL include:

- Identifying career pathways
- Selective student intake
- Experiential learning and workforce development
- Improving the workplace environment and becoming better informed for further career choices.

**Travel Arrangements**

For students new to the courses participants in a course at any SAFTS, students will be required to arrange their own transport to and from the training and work placements. A transport permission form will need to be completed prior to courses commencing.

**Course Fees**

For Training Guarantee for SACE Students (TGSS), students must meet eligibility criteria.

**Selection Guidelines**

Selection for every course will be based on the following guidelines:

- Identified relevant interest and/or previous work experience
- Identified relevant work experience or VET training
- Identified career pathway
- Identified relevant interest and/or previous work experience

For Training Guarantee for SACE Students (TGSS), students must meet eligibility criteria.
