

HEALTH PATHWAY

Part Certificate III Health Services Assistance—HLT33115

If you like working and communicating with others, can relate to people and understand their needs then a career in Health Services may be a pathway for you.

This course will introduce students to multi-skilled work roles in health which has been identified as a growth area for employment and will provide opportunities for students to undertake a range of pathways within the health industry.

In choosing the **Health Vocational Pathway** you will get opportunities to:

- Complete your Senior First Aid Certificate
- Undertake regular work placement
- Study and work with others with similar interests
- Do both on the job and off the job training
- Become work ready
- Explore different career possibilities
- Consider furthering your study at TAFE
