

### Vision

To support **ALL** students to achieve a successful transition into their identified pathway through access to quality career development, innovative and strategic partnerships and a range of accredited programs that lead to further education, training and employment.

### Our context

Consists of some of the secondary schools within the Southern Adelaide Region and all of the schools with secondary enrolments in the Fleurieu and Kangaroo Island Region of DECD. A diverse range of schools that service a range of different communities with significantly different needs. Our consortium includes

- Large metropolitan high schools that service the needs of the outer southern suburbs of Adelaide
- Small area schools that service the needs of distinct rural communities in the Fleurieu and Kangaroo Island areas
- Large metropolitan R-12 schools, an adult re-entry school, schools that are multi campus
- Kangaroo Island Community Education - one of the most isolated school's in our state.
