

PRIMARY INDUSTRIES PATHWAY

Certificate II in Horticulture (AHC20416)

Horticulture is a diverse industry which can provide an interesting and exciting career for those seeking outdoor work. MADEC delivers this Nationally Recognised program in an interactive hands-on format giving students the opportunity to explore the horticulture industry and the range of trades and employment pathways it offers.

Format:

1 day per week in Semester 1 or Semester 2—commences Week 2, Term 1 2018

Course Fee:

\$150

Selection Criteria/Student Requirements:

Applicants must be aged 16 years or older and have undertaken VET, work placement or employment relating to this qualification prior to applying. Applications are subject to a thorough pre-training review including LLN assessment and suitability interview.

Max Class Size:

11 students
